

Monash University Alpine Lodge

FAQ and first time visitor Information

The information contained below is a useful overview that will help make your stay more enjoyable.

Do I have to pay a resort entry fee?

Yes, all vehicles must pay a resort entry fee to visit the resort during the winter season. This includes maintenance of resort infrastructure, upkeep of Village, car parking, snow clearing and Village shuttle bus.

Do I have to carry wheel chains for my car?

Yes, all two-wheel drive cars are required to carry chains. It is optional unless sign posted for four-wheel drive cars to carry chains. When you pay your resort entry (winter only) you will be advised of the road conditions. Chain fitting bays and assistance to fit chains are available when chains are required to be fitted.

Can I drive my vehicle to the lodge to drop off my guests and luggage?

No, passenger vehicles are not allowed into the Village centre. Upon entering the resort you will be instructed by attendants on where to park your vehicle. The resort entry fee will include parking. From the car park, you will need to unload your luggage and book a taxi to take you to the Monash University Alpine Lodge.

Can you guarantee there will be snow during my visit?

No, unfortunately it is impossible to predict when snow will fall. Though, Mt Buller has extensive snow making facilities across the resort to ensure there is adequate snow cover during the winter season.

Can I get lessons?

Yes, Ski and Snowboard lessons are available to all ages and abilities. Lessons are purchased from the lift ticket booths at the base of the mountain.

What is the terrain like?

Mt Buller has a wide range of ski terrain for all abilities from beginners to intermediate through to advanced skiers and snowboarders. The terrain mix is 30% beginner, 45% intermediate, and 25% advanced with everything from groomed runs, to steeps, moguls and off-piste thrills.
